

Optimed Software corporation, a QHR Technologies Inc. Company, is looking for a:

Implementation Consultant – AB or BC

Optimed Software Corporation is a wholly owned subsidiary of QHR Technologies Inc. and is based in Kelowna, BC. Optimed's product, Accuro® EMR, is an electronic medical records (EMR) software application for physicians and their clinics. The primary business of Optimed focuses on the development, marketing, distribution and delivery initiatives for Accuro to clinics across Canada. Accuro is the highest customer rated National EMR software package in Canada. For further information on Optimed, please visit our website at: www.optimedsoftware.com

Position Summary:

The successful candidate will join our Implementation Consultants (IC) team, responsible for installing our top rated Electronic Medical Record (EMR) software program in medical clinics across Canada. Working with clinic staff and physicians to convert to a paperless office incorporating billing, scheduling lab results and medical records, the IC will become an expert in medical clinic workflow. The IC will travel to physician clinics and install, configure, train and provide go-live support for clinics and staff. This position will be based in various cities and may involve travel up to 30 weeks per year.

Job Description:

- Conduct project planning, analysis, project management and on site and remote installations, configuration, training and go live support.
- Perform all implementation tasks / activities as specified within the project plan.
- Demonstrate full knowledge of product(s) and establish areas of expertise.
- Provide timely communications to the Management Team on progress and any issues that need to be escalated.
- Become involved in the continual improvement of the implementation, training and project management materials and best practices.
- Communicate and liaise with the client to ensure effective implementation of Accuro.
- Prepare written reports and recommendations for management and clients on implementation and training activities, and implementation progress, including problem escalation and resolution when necessary.
- Maintain application and business knowledge.
- Participate in and provide training activities for Optimed personnel and additional tasks, responsibilities and special projects as assigned.
- Travel up to 30 weeks per year.
- Additional duties as required.

Qualifications:

- Post-secondary education with a technical and/or medical background or equivalent experience.
- Experience in training adults one-on-one and/or in groups
- Previous experience working in a medical or technical field.
- Previous software implementations experience is considered an asset.
- Ability to work both independently and cohesively in a long-distance team environment.
- Effective and proven interpersonal and communication skills.
- Detail oriented, possess superior organization and follow up skills.

Total Rewards:

We offer competitive compensation with a comprehensive benefits package.

Please submit your cover letter and resume referencing either "Optimed IC AB" or "Optimed IC BC" in the subject line to Lindsay Barrett at: lbarrett@QHRTechnologies.com

Thanks to all those that apply. Only those chosen for an interview will be contacted.

QHR Technologies Inc. has a vision of being a Top 100 Technology Company and a Top 100 Employer. Our results and culture all point to personal growth, opportunities and success. Optimed Software Corporation is a wholly owned subsidiary of QHR Technologies Inc., a publicly listed company (TSX-V:QHR).
